

The image features the Norton Motorcycles logo centered on a background of a Union Jack flag. The flag is rendered in a dark, muted color palette, with the red and white stripes appearing as dark red and grey, and the blue cantons as a dark navy blue. The flag has a subtle, wavy texture, suggesting it is a piece of fabric. The logo itself is white and consists of the word "Norton" in a large, elegant, blackletter-style script font. A small registered trademark symbol (®) is located to the left of the "N". Below "Norton", the word "MOTORCYCLES" is written in a smaller, all-caps, sans-serif font.

Cafe Racer Standard

Commando 961 Café Racer

TECHNICAL SPECIFICATION

ENGINE

Engine Type: In-house developed parallel twin with dry sump lubrication

Displacement: 961 cc

Cooling system: Air/Oil

Valve actuation: Push-rod, hydraulic valve lifter, 2-valves per cylinder

Bore & Stroke: 88 x 79mm

Compressions ratio: 10.1:1

Ignition: Crank fired electronic fuel injection.

Exhaust: Full stainless steel exhaust system with multiple 3-way catalytic converter, Euro 4 compliant

TRANSMISSION

Gearbox: Constant mesh 5-speed

Final drive: 525 O ring chain

Clutch: Wet multi plate

DIMENSIONS

Wheelbase: 1400mm (55.12 inches)

Rake: 24.5 degrees

Trail: 99mm (3.9 inches)

Front wheel: 36-spoke, 3.5" x 17" polished aluminium rim

Rear wheel: 40-spoke, 5.5" x 17" polished aluminium rim

Front tyre: 120 /70 x 17"

Rear tyre: 180 /55 x 17"

Front wheel travel: 115mm (4.53 inches)

Rear wheel travel: 100mm (3.94 inches)

Seat height: 810mm (32 inches)

Tank size: 17 litres (4.5 US gallons)

SUSPENSION

Front suspension: 43mm Ohlins upside down forks, adjustable for preload, compression and rebound damping.

Rear suspension: Ohlins twin shocks with remote reservoir – fully adjustable.

BRAKES

Front brakes: Full Brembo system, twin Brembo 320mm fully-floating high carbon steel discs and Brembo 4-piston 'Mono bloc' radially mounted calipers with ABS. Brembo front brake master cylinder.

Rear brake: Full Brembo system, Brembo 240mm disc and 2-piston calliper with ABS. Brembo rear brake master cylinder.

Clutch: Brembo hydraulic clutch master cylinder, with remote reservoir and Brembo slave cylinder

PERFORMANCE

Power: 71.9PS @ 7500rpm

Torque: 67Nm @ 6500rpm

Fuel consumption: 55mpg/160

ELECTRONICS & CONTROLS

Electronics: 300-watt high-output charging system

Instruments: Norton electronic analogue speedometer and tachometer

Steering: Machined billet yokes

Handlebars: Hand-welded high-grade aluminum clip-ons

BODYWORK

Dual seat unit: Pillion seat and colour matched seat cowl

Mudguard: Carbon fibre

Flyscreen: Carbon fibre

COLOUR OPTIONS

- Galactic Black with gold pinstripe
- Royal Red with gold pinstripe
- Manx Silver with Red/Black pinstripe
- Titanium Grey with black pinstripe
- Steel Green with black pinstripe
- English White with black pinstripe
